

Andrew McLean

Cosmetic dentistry

Andy graduated from Manchester in 1991. Upon graduation, Andy spent 6 years back at the hospital teaching surgical dentistry and sedation.

Andy worked for 10 years in private practice in Cheshire before joining the team at The Mall 5 years ago.

His postgraduate education ranges from advanced restorative courses, surgical and restorative implant courses and 2 years studying occlusion which took him across most of Europe.

His special area of interest is cosmetic dentistry, smile reconstructions and the art of direct composites.

Andrew is recognised as one of the UK's leading authorities on resin bonded direct and indirect restorations, and would be delighted to assess cases or patients you may feel a little uncomfortable tackling.
